The Clark street location at 18413 is in need of a power washing. If anything can be done, it would help greatly.

A constituent named Jules calling on behalf of Bea's Bakery in Tarzana called to express his concern over homeless people defecating on the sidewalk in the area. He said that homeless people were coming into the business through the back door and causing problems for him and the bakery. He also said that he suspects homeless people are selling drugs in the parking lot. Address is 18450 Clark St, Tarzana CA 91356. Phone number # (818) 344-0100. I called him back and let him know that someone would get back to him to see what his options are.
